

## Information on membership of KŽC for the year 2017

**Klub železničních cestovatelů (KŽC)** has existed since 1985. Our members are rail enthusiasts, especially those who enjoy the exploring network.

KŽC organise frequent one-day events on railway themes. In addition, twice yearly we organise special long-weekend (Friday to Sunday) tours, plus once a year, in July or September, we operate our „holiday in a railcar“, a one-week tour in a private DMU, which especially targets lines without regular services. The AGM happens in March, with elections of officers every three years.

KŽC has around 200 members. They receive the club magazine, *Dráhař*, quarterly – either in hard copy or e-mailed in PDF format.

There is a discount for KŽC members on the cost of taking part in events and tours.
